

## **Electric Chopper Motorcycle was \$1440 reduced to \$973**

This is a demo that has 23 miles on it.

New All electric

Limited speed and is classified as a "bicycle" that requires no license.

Could submit for a license by adding turn signals and tail light.

Charges from standard wall outlet.

Chrome Wire Wheels

Looks like gas motorcycle.

Can be pedal assisted as a bicycle or in combination.

Can seat two (but reduces range when carrying more weight).

Looks great and runs great.

Has a fuel (remaining battery charge) indicator.

Can be ridden as a bicycle when batteries are not charged.
